

# AP World History Review Folder Assignment

As a way to preserve memory and prepare for the AP Exam in May, all students will develop a set of review folders.

Use the tools in your textbook, your notes, and your Key Concepts note-catchers. This is the mother of all repetitions.

***Each folder will be identified with the following information:***

Tab

Write the name and dates of the period.

Outside Front Cover

Illustrate activities, evidence of understanding of important events, places and people that make this period unique to others.

Inside Left Cover

Create a chart of AP History Themes with at least three major pieces of relevant information in each category. The categories are:

1. Interactions Between Humans and the Environment
2. Development and Interaction of Cultures
3. State-Building, Expansion, and Conflict
4. Creations, Expansion, and Interaction of Economic Systems
5. Develop and Transformation of Social Structures

Inside Right Cover

Create a SPICE chart for the period that includes important information for each of the civilizations we have studied.

Outside Rear Cover

Develop a timeline for the period that includes dates of major events, continuities, and changes.

***If you wish to keep all materials in one place, you may put the following information into each folder:***

Key Concepts for the period

Chapter Notes and Tests

Essays from the period

Documents or Document summaries from the period

Any activities or notes or essays from the period
